1.2.87

a Lesson in the University of The New Covenant

Theodore Cottingham, July 3, 2004 1:00 a.m. - Tape 18

www.unc.bz

1. Do you think that I don't want to speak? Do you think that I don't want to speak to you every day? Do you think that I don't want to speak with you every day? Do you not think that I want to speak with you multiple times a day? Haven't I said that? Haven't I said that? You have carried your recorder with you many times, many places and tried not to be without it; but you haven't let Me speak as much as I wanted to, as often as I wanted to, the way that I wanted to—your mind so preoccupied, so occupied, so many things to do, people to see, things to look after.
2. Oh, Ted, please let Me speak, please let Me speak more, more, more often.
3. Please let Me speak more often. Will you, please? Will you let Me come and let Me show Myself to you? Will you let Me give you the answers that you so diligently seek: still so much more about the Trinity, who I am, what I am, how I am, details of I Am, details of you are I Am, details of you walking out Me and Me walking out you—My pleasure fulfilled giving you My Kingdom. Oh come and see Me, seek Me, see My face and let Me flow through you. Please be not hesitant, reticent, nor feel you must be in some position, some posture, some place. Hesitate not to speak My words I give so freely, so freely, so often, so freely, so rich, so pure, so freely. I love you and off the high dive you are going this time, much higher, much higher. You have guts for Me and I love it. I love you.
4. You are not afraid, you are not afraid to fail and I can use you so greatly. Thank you for not having fear nor being fearful of men, their thoughts, their faces, their ridicule, or their applause. I love you.
5. I love only Me, I love all who are in Me, I love all My creation, My Me, My Mine, and those who know Me not, those who have called My name in the wee hours, and those who have sought Me none and know Me as nothing but maybe a concept or historical figure. I come and I call.
6. I call Don Eland to My side now, exploding him I am. Watch Me.
7. Watch Me speak to you increasingly about people, specific names, specific places, specific times, specific incidents, specific futures, specific healing, specifics of Me and My Mine coming forth to establish My Mine in the Gospel of Truth, revelatory freedom revealing Me, My Mine, My Truth, My Me, one.
8. Now come and call and call forth transcriptionists, for My words come prolifically, consistently, increasingly, with clarity, with specificity, with names and addresses of who is to come, who to call, who to confirm, who to counsel, and who will counsel you.
9. I am the Supreme Counselor, Commander of the Armies of the Joint Chiefs of Staff of Me, My Kingdom, and I am ready, and all My forces assemble, ready for war,

ready for battle, engaged, ready, superfluous not, coming forth in armor and array, beauty, regaled by Me—My word going forth out of their mouth as love bullets, piercing asunder, truth from untruth, bone from marrow, motive from action. I love you.

10. Jeremiah of Me, Ezekiel of Me, Enoch Mine. You, Ted, Mine, Mine. My Stephen, My Irene, My Samuel, My Lachlan, My Barbara, My Amy, My Christopher, My Marci and 'my seed for evermore,' thank you, I love you, and you know what I mean. You know whereof I speak and you know why I speak it and you know why I promise it to you—your prayer, you anointing yourself every day, hands raised, proclaiming Me as your Lord, proclaiming your seed My seed for evermore. Yes. Amen. And so much more.

11. I love you and power comes, power comes, powerful power comes, seed of only Me, mammon-ize not, purity of the pure. I love you. I give you Me.

12. Now off the high dive with your eyes wide open, be not afraid; cameras, critics, megaphones - be not concerned. I love you and I promised and My promises are true. My word is pure and goes forth into what I decide, to do what I choose. While you drive, while you eat, I will talk and I will speak. Fear not to miss a word, I know what you have and don't. I know the angular, the titular, and I know those who are and those who aren't, those who will and those who won't, those who will come forward at this time and those who will bow their knee before Me and help in My University.

13. Know I come and I call and the numbers that I have given you are from Me. [1]

14. Continue, declare, proclaim, authority walk in, authority declare, and walk in Me that you have begun to walk. All your notes publish and decree, proclaim, online, in Me. I love you.

15. Barbara of Me, Buck of Me, Mary Lu of Me, and so many more in line stand now, coming and wanting to come, applying to help.

16. See Me, only Me, all of Me, only Me, you with Me, Ted, My chair, My choice, My picture placed upon your heart.

17. Employ, implement and move forward with Me, hire and move forward. All is in place. Endowments come. Land comes. Architects come. Councils of Counsel of only Me come. My white towers of only Me. Colors and hues of only Me. Microns and electrons, measuring not, but transmitting only Me--My faith, My trust, My words in to, and out of, through My people, to My people, for My people to Me, all one—one. I love you. Now go in peace and rest, rest, rest. All technology is yours.

18. Yes, walk as Me. Space and time pervert not. Alacrity comes where you walk in only Me, and constraints none—you know whereof I speak. You know to publish with no peril, no fear.

19. Website matures, technology of only Me. I love you.

20. Don Eland of Me. Love him, tell him I love him. I love him so sincerely, so specially, so deeply—My heart of only Me—arises. Tell him, embrace him for Me. I love you.

21. I give you this day, I give you this night, I give you My time, My space, My place, My shoes, My sandals, My sash. Now walk boldly, boldly, boldly in the picture that I have

given you: your chair/My chair, your words/My words, your mission/My mission, My role/your role, My Me/you Us, My Mine'd/Me, one; altogether now, going forth in formation—one—arising My students, My faculty, My staff, My curriculum, My technology, My courses, My freedom-ized ones to freedom lead, to freedom-ize others, exponentially, exponentiating themselves and all who will teach, all who will learn, all who will river be, in Me, at My knee, who I have then arisen. I love you. Power comes. Powerful power arise. My love arise. My love arise. Thank you. Thank you. Thank you.
